History of Class of 1957

Forty frightened and shy freshmen assembled in their familiar corner for the first day of school. Our first project was the election of class officers. The results were as follows: President, John Skelly; Vice-President, Harold Hasselman; Secretary, Karon Lepley; Treasurer, John Dilley; Reporter, Judith Pressler; Historian, Dorothy Freed; Class Sponsor, Harold Arney. Our pride and joy was, of course, the highly prized class sweaters. The year, 1957, seemed centuries away. Our first class party was a skating party at the Silvermoon Skating Rink. The next party was at Mike Scranage's home and was concluded by attending a movie at Angola.

We held our first class meeting of our sophomore year in the history room. We elected officers as follows: President, Norman Leas; Vice-President, Karon Lepley; Secretary, Johnnie Weilbaker; Treasurer, Joan Whysong; Reporter, Mike Scranage, and Historian, Dorothy Freed. Our class rings were ordered in September and we received our prized possessions on November 18, 1954. Our very handsome class sponsor is Paul Everitt, who is at last a very happily married man, thanks to June Dunn. We held a Christmas party on December 22 at the home of Mike Scranage and attended a movie afterwards. Our skating party was given on February 14. In the department of lost and found students, we found Henry Albright and Arnold Danner have moved back with us and we lost Bertha Spencer and Wayne Smith. This leaves us with a total of thirty-nine happy, ever-lovin' sophomores.

We started our junior class year with thirty-six brave and excited juniors. We elected class officers as follows: President, Johnnie Weilbaker; Vice-President, Nancy Phillips; Secretary, Dorothy Shore; Treasurer, Joan Whysong; Historian, Dorothy Freed; Reporter, Judy Pressler; Class Sponsor, Dollie Arney. Barbara Ellert, Dale Kneubuhler, Harold Hasselman, Rhea High, Tom Miller, and Paul Stahl have departed from our dear class but our newcomers are Kathy Shuler, Harriet Koon, and Joyce Coffey. Our first project was selling magazines with which we made a nice profit. Then came a paper drive which was hard work but lost of fun. Meanwhile, we sold Christmas cards, candy, had another paper drive, and sold more magazines. We sponsored five skating parties this year. As the annual is going to press we do not know if we are going to New York or Timbuctoo. WE WENT TO NEW YORK.

With thirty-two seniors to start our class, we elected class officers as follows: President, Dorothy Shore; Vice-President, Johnnie Weilbaker; Secretary, Judith Pressler; Treasurer, Joan Whysong; Historian, Dorothy Freed; Reporter, Karon Lepley; Class Sponsor, Fred Frederick. Our class decreased in number with the loss of Rosalie Baumgardner, Ruth Ketel, Frank Stoy and Bill Wickerham. October was the month for our senior pictures to be taken. On December 15th, we presented our play, "The Birds and the Boys". At the present time we are indulging ourselves on the annual, caps and gowns, diplomas, and are anxiously awaiting our graduation.

Prophecy of 1967

Henry Albright has now found a cure for bad conduct grades. He is sending copies to all the surrounding schools.

Don Ankney is to become a designer of frocks for school and office wear which can be put on in one second, with a nose powdering thrown in for good measure. This benefaction is to save men from having to wait for the women to get ready.

Margaret Baird is destined to be the county librarian in a remote section of the Rocky Mountains where very few people are on the level.

John Weilbaker is to become very rich through the invention of a silencer for back-seat drivers.

Marilyn Berryhill has just made a tape recording on "How to Give Directions to the Front Seat Drivers."

Don Casselman will become famous as a dealer in silk hosiery which will not run.

Joyce Coffey is working at a coffee factory and also raising little Coffey beans.

Ruth Davis, now known as Madame Perrie, is the owner of a beauty shop in Paris.

Arnold Danner is now the head of a manufacturing company making Elvis Presley haircuts.

John Dilley may be found scrubbing floors in the White House.

Dorothy Freed is now working in a huge New York hospital trying to discover a cure for gray hair. She has finally found the solution . . . . . dye.

Norma Grogg is now the highest paid model in Conover Modeling School in New York.

Carol Greenwood is at the present time using her beautician training on her husband's curly hair.

Edward Jackson has discovered several new parasites to use in war on insect pests.

Harriet Koon is now a missionary in deepest, darkest Africa trying to reform the cannibals. But it seems she has now married one of them and is raising little head-hunters.

Karon Lepley is married to you know whom and is raising little sinners.

Norman Leas is now selling accident insurance to school teachers.

Barbara Miller is now working as a manicurist for Elvis Presley.

Sandy Perkins has a wrestling match tonight at 7:30 at Madison Square Garden in New York.

Judith Pressler after a hard day as a lab technician, comes home to her twelve boys for relaxation!!

Nancy Phillips is now connected with the Metropolitan Opera and can be heard singing duets with Mario Lanza.

Mathias Schoudel is now installing radios in refrigerators for he has the theory that foods chilled to the tune of Guy Lombardo will promote harmony in the human body.

Mike Scranage as a rich bachelor can be seen sitting on his front porch holding a remote-control unit operating all his tractors on his farm.

Dorothy Shore is now an airline stewardess flying with one of the biggest airlines, carrying burp pans to the passengers.

Barbara Shipe will join the Navy and become the first woman commander of a submarine.

Don Shipe, with his nice smile and curly hair, will be acclaimed the successor of Liberace.

Kathy Shuler is to run a unique gift shop carrying suitable presents for people you dislike.

Alvin Smith has just landed in outer space and is now the head manufacturer of green cheese.

John Skelly is now working as a tester in the Hazel Bishop Non-Smear Lipstick Co. Hazel says she really likes it. (The lipstick that is!)

Beverly Stout, now known as Boston Birdy, has taken over the Boston Blackie show.

Lynn Walker, the little man from Indiana, is now the big man in Hollywood, California.

Joan Whysong, whom we considered to be the quiet, silent type, has proved, since her marriage to Paul Chavez, that she can speak her mind very well.

Cross Country

John Weilbaker, a senior, is an outstanding athlete and a good student. John has turned in 4 years of track, cross-country, baseball, basketball, 2 years second team and 2 years varsity. John is on the record half mile relay team time - 1:45.7. John also holds the record in cross-country for the school and the State Corner Conference with a time of 9:50 for each of them.

High Jump

Don, our high flying flashy senior, is the record holder in the high jump with a jump of 5' 7 3/4". Not only is he a good athlete in cross-country, basketball, and track, he is also a good student in his subjects. Don set the high jump record as a junior. This year many things are expected of Don; his experiences as a sophomore and junior will help as a senior. One of Don's great achievements as a Track Star was his winning the Corner Conference High Jump.

Varsity

The Varsity is enjoying their best season in a number of years. The key of success has been balanced scoring and a strong bench. One of the highlights of the season was winning the Waterloo Invitational Tourney.

A sentimental, but happy occasion, took place January 12, as the boys defeated Hamilton in the last game to be played in the old Town Hall. The Varsity squad is composed of four seniors: John Skelly, John Weilbaker, Don Cassleman, and Norman Leas; six juniors: Jerry Forrest, Phil Clark, Vince Geistwhite, Lyle Lockwood, Francis Kugler, and Larry Farver, and one sophomore: Gene Noll.

The next few years Paul Everitts will be rebuilding the team so it will be as good.
